Dear Vendor,

It's time to begin planning for the 2022 Weber County Fair, August 10 – 13. **Booths are sold on a first come, first served basis.** In an effort to keep the diversity of the Weber County Fair, there will be a limited number of vendors selling the same type of product and/or service. **Both indoor AND outdoor commercial vendor booths will be available in 2022.**

Enclosed is a vendor layout for the 2022 Fair. Outdoor booths are \$500 for inline and \$550 for corners (price due to significant increase in cost of canopies). Indoor booths are \$375 for inline and \$425 for corners. Booths paid in full by April 29, 2022 will receive a \$50 discount. We will no longer be offering a discounted rate for non-profits due to rising costs. All booths are 10' x 10'. The Fair will provide canopies for outdoor booths. Access to 110v power is included with all booths, but extension cords, tables, chairs, ladders, etc. are the vendor's responsibility – no exceptions. Irregular displays will be charged \$1/sq. ft.

Fair hours are 11 am -11 pm. Booths must be staffed during Fair hours. The Fair will be charging gate admission, so each booth will receive tickets for their employees. **Premium parking will no longer be available for vendors. Pick-up and drop-off will be available in the West Paved Lot. No overnight parking will be permitted.**

Payment must be paid in FULL to hold your booth space. Approximately 30 days prior to the Fair, you will receive a letter with final Fair information. All booths need to be paid by July 1, 2022. **Booth rental is non-refundable.**

We are looking forward to a great year and the opportunity to work with you. Call now to reserve your space!
